

House Proposed changes to introduced version of HB 59 – biennial appropriations:

- Provides a 7% across the board income tax reduction beginning in TY'13 in place of the tax proposal contained in the introduced bill.
- Removes the proposed expansion of the Ohio Medicaid Program.
 - Restores proposed provider cuts related to the expansion, coverage of optional services reduced in the bill, and increases related funding for the Department of Rehabilitation and Corrections for medical services.
 - Provides an additional \$30 million per year to counties for mental health services and an additional \$20 million per year for drug treatment.
 - Creates a joint legislative committee to develop and recommend further actions.
- Maintains the footprint of the Executive K-12 funding proposal with several revisions, such as:
 - Replaces the calculation for the Core Opportunity Grant with a base number of \$5732 with state share calculated using a three year average valuation and in some cases a median income component.
 - Funds the six special education weights at ninety percent and applies the state share index. Provides for catastrophic costs through a separate earmark without a transfer of the special education allocation.
 - Maintains the new categories of career-technical education but uses weights to determine total funding and applies the state share index.
 - Uses the Executive categories for limited-English proficiency except removes funding for category four. Increases FY'15 amount by one percent.
 - Moves transportation funding back within the formula. Simplifies the current formula to the greater of per rider or per mile cost with a state share index or sixty percent applied. Provides \$413.4 million in FY'14 and \$434.1 million in FY'15, and also supplements low wealth/density districts with an additional \$25.3 million in FY'14 and \$23.1 million in FY'15.
 - Provides gifted identification funding at \$5.00 in FY'14 and \$5.05 in FY'15 per ADM. Also funds gifted unit funding at a cost of \$37,000 in FY'14 and \$37,370 in FY'15. Provides one coordinator unit per 3,300 ADM (minimum 0.5/maximum 8) and one gifted intervention specialist unit per 1,100 ADM with a minimum of .3.
 - Provides a one hundred percent guarantee of FY'13 funding for both years. Caps increases at six percent in both years.

Health and Human Services Subcommittee:

- Increases PASSPORT provider rates by \$6 million per year.
- Increases funding for Food Banks, 600-540, by \$2 million per year.
- Adds residential care facilities to the list of places where Advanced Nurse Practitioners and Physicians Assistants can prescribe schedule II drugs without restrictions.
- Allows remote drug dispensing to be utilized in Ohio.
- Reprioritizes the distribution of family planning funds.
- Clarifies the background checks required in the bill for direct care positions, do not refer to individuals in long-term care facilities as they already are subject to background checks.
- Lowers the required age for an elderly person for certain boards and commissions to 50 from 60.

- Removes the name change of the Rehabilitation Service Commission.
- Creates the Ohio Parenting and Pregnancy Program.
- Replaces the term ombudsperson with ombudsman as federal regulations do not recognize the former.
- Compels a managed care company to provide 90 days notice when terminating the contract with a pharmacy.
- Authorizes a chiropractor to access and clear athletes to play after exhibiting concussion symptoms.
- Allows an individual to serve more than three terms on a county DD board under extenuating circumstances with a waiver.
- Provides the State Medical Board more flexibility in procurement of temporary hearing examiners.
- Revises the language regarding public health futures to lower the continuing education required for board members to two hours and to remove language related to combined health district levies, certification of sanitarians, new health assessment requirements, and board membership.
- Eliminates a requirement to for a nursing facility operator to file a Medicaid cost report within the first three months of ownership.
- Renames line, 440-474, Infant Vitality.
- Specifies that Medicaid recipients with specialized needs receiving NF services under the alternative purchasing model include those who would otherwise be in a long-term acute care or rehabilitation hospital.
- Revises Nursing Facility Reimbursement Subcommittee recommendations in this bill including eliminating overhead paging beginning July 1, 2015 and the termination of provider agreements for facilities on the Federal Special Focus program for 24 straight months.
- Removes the reorganization of law governing ICF/IID services.
- Accelerates the unbundling of custom wheelchairs from ancillary services to FY'14.
- Removes new requirements governing private water system contractors.
- Permits an individual who quits their job to follow a military spouse to receive unemployment compensation for up to six months, provides that the Department of Jobs and Family services will cover the cost.
- Require Controlling Board approval for changes to appropriations under section 209.40 and 259.190.
- Eliminates changes to the assessment of the costs of a market conduct examination.
- Removes revisions to the certification standards related to the provision of mental health and addiction services.
- DOH020 – Repeals the section concerning the Technical Assistance Program (TAP).
- OMA053 – Clarifies that the Office of Medicaid is the single state Medicaid agency and eliminates sections referring to appropriations of the Balancing Incentive Payment Program.
- OMA052 – Technical corrections regarding the creation of the Office of Medicaid including the numbering of Medicaid Administrative rules and cleans up of ALI restructuring.
- DMH008 – Corrects conformity issues with the consolidation of DMH and ADA.
