

**State Aid Estimates Senate Proposal, FY 2014 and FY 2015**

Estimates are based on ADM estimates and valuation projections provided by the departments of Education and Taxation.

ADM estimates are based on data from FY 2013 and do not change from FY 2013 to FY 2015. Data has been updated in May 2013.

Actual aid will be calculated based on actual data and is subject to change.

The primary purpose of these estimates is to determine a state total obligation. Changes between estimates and actual aid may be significant, especially for individual school districts.
