Cheryl Subler, Executive Director

Communications Coordinator

The County Commissioners Association of Ohio (CCAO) is seeking to fill the position of Communications Coordinator.

The Communications Coordinator is responsible for developing and executing communications strategies that advance the mission of CCAO and its affiliated entities CORSA, CEBCO, CCAOSC, and the Research & Educational Foundation. The Communications Coordinator identifies and tells compelling stories about member programs and successes through written and visual content including articles, blog posts, videos, and press releases while building relationships with CCAO members and key county staff to stay informed of emerging topics and stories. The position also collaborates with leadership across affiliated entities to showcase program impact and implement effective communication methods.

The Communications Coordinator serves as a strategic communicator and storyteller who takes ownership of content from concept through execution, engages meaningfully with CCAO members, and works proactively across the organization to ensure all communications reflect CCAO's mission, voice, and brand.

Additional responsibilities include managing the production of key publications and annual reports from content collection and creation through design, printing, and distribution, as well as overseeing CCAO's social media presence across multiple platforms. The role encompasses photography at events, video storytelling, media relations including drafting press releases and managing inquiries, and supporting broader marketing efforts by developing promotional materials that align with CCAO's branding standards.

Knowledge, Skills and Abilities: The Communications Coordinator must possess strong project management skills and the ability to handle multiple priorities simultaneously in a fast-paced environment. This role requires exceptional writing ability and a talent for storytelling — particularly the ability to identify compelling narratives and translate complex information into clear, engaging content for a variety of audiences. The successful candidate is a critical thinker with keen attention to detail, a continuous learner, and someone with demonstrated experience in strategic communications and social media management. Familiarity with Adobe InDesign or similar design tools is required. Experience in graphic design, photography, videography, and member or stakeholder engagement are a plus.

Qualifications: Bachelor's degree with coursework in communications, public relations, journalism or related field OR extensive experience with county government and strong communications skills. Minimum of 3 years of related experience required. Valid Ohio Driver's License and the ability to meet insurance requirements. Familiarity with county government is a plus.

Compensation: Commensurate with experience.

Please submit letter of interest, resume, references, writing samples and, if applicable, portfolio to CCAO Outreach & Member Engagement Manager Rachel Reedy at rreedy@ccao.org by close of business Wednesday, September 1, 2026.
