

_____ moved to amend as follows:

In line 96, after "(A)" insert "Large industrial customer" means 1
any manufacturer that primarily uses electricity in a process that 2
transforms raw or unfinished materials into a different form or product 3
and that receives service from an electric distribution utility at primary 4
voltage, subtransmission voltage, or transmission voltage. 5

(B) " 6

In line 101, delete "(B)" and insert "(C)" 7

In line 106, delete "(C)" and insert "(D)" 8

In line 267, after "customer" insert "or large industrial customer" 9

The motion was _____ agreed to.

SYNOPSIS 10

Large industrial customers 11

R.C. 4928.675 and 4928.679

12

Defines "large industrial customer" as being any
manufacturer that primarily uses electricity in a process that
transforms raw or unfinished materials into a different form or
product, and that receives service from an electric distribution
utility at primary voltage, subtransmission voltage, or
transmission voltage.

15

16

17

18

Expands the bill's prohibition against residential
customers being required to incur any costs or to be charged,
directly or indirectly, for any costs related to net metering to
also include large industrial customers.
